

Brits of the Hudson, LTD (BoTH)

www.britsofthehudson.com

The Brits of the Hudson Club (BoTH) was founded in the fall of 1992. It all happened when a group of enthusiasts met at the Montgomery Classic Car show, in Orange County. With only 8 British cars at the show, they realized the need for an all-inclusive British car club. They ran an ad in the newspaper advertising members wanted for a Mid-Hudson British Car Club, meeting on 10/14. People showed up and Brits of the Hudson officially formed.

As the years passed, we realized that other import owners felt as we did back in 1992. In July, 2016 the club took a vote and chose to welcome "other" classic imports to join the club. After all, we all share the same common interest and enthusiasm. BoTH currently has just over a 100 members and continues to grow.

Annual dues are \$30, which includes event emails and invitations to all BoTH events, annual subscription to the British Marque Car Club newspaper and a windscreen decal with the BoTH logo. Meeting is at 7:30 pm, every 3rd Wednesday of the month at ABC Pizza @ 198 Quassaick Ave. New Windsor, NY
